for soda drinkers in our

We wish it distinctly understood that we manufacture all carbonated water right on the premises. We do not get an ounce from any local manufacturer. Our soda generator is modern; our tanks are of the most approved and safe pattern. The best materials are employed.

People marvel why our soda tastes better than the soda they get at other fountains. We believe that it doesn't pay to spare expense in soda. We never have. We always want the latest drinks, the best apparatus every thing the newest and best. We take more pains than most people.

Fresh crushed strawberries and pineapples every day now. They are both in season. No artificial essence used to make them "go farther." Nothing but the pure fruits with white sugar to make them right. Nothing harmful in these. No harm in any amount o our soda.
